

Dear Student/Parent,

After reviewing your application materials, \_\_\_\_\_ will be accepted into  
(print student first and last name)  
the 2019-2020 CareerTEC \_\_\_\_\_ Program on a provisional status.  
(print program name)

Provisional status means that all the criteria for entrance into the program has not been met, Grade Point Average and/or Attendance. However, you have been identified to have potential to meet the expectations of the program and will be enrolled on a provisional status.

Provisionally enrolled students will be expected to maintain a C or above in the program, maintain acceptable attendance (less than 4 days for the semester), and exhibit behavior appropriate for the class (no discipline referrals). A review will be done following the first quarter to determine your status in the class. You may be terminated from the class if you have not met the above standards.

Parent/Guardian and student must sign below and return to your school counselor to indicate that each of you understand and accept these qualifications for participation in the program. Counselors will forward to CareerTEC.

**Please return this form to CareerTEC, 2037 W. Galena Ave., Freeport IL 61032**

Thank you,

Brian Greene, Director
